THE STELLAR EXECUTIVE PROGRAM

The "Stellar Leadership" Scholarship by Internetstiftelsen in Sweden

The Stellar Executive Program brings together senior managers, in charge of leading digital transformation. During four program days, the participants learn about technology developments, new business- and operational models and develop their understanding for digital leadership. Now is your chance to become part of the 2019 Spring cohort and join the network of Sweden's most future-oriented digital leaders!

Internetstiftelsen is launching two scholarships for early-stage entrepreneurs for the Stellar Executive Program. Join the program and get a head-start on your entrepreneurial journey today!

Stellar Executive Program

- Discover how technology developments within AI, Blockchain and Big Data impact businesses and leadership.
- Understand and leverage the potential of new technologies for your new venture.
- Explore the importance of forming strategic partnerships and networked collaborations in a digital world.
- Become part of the Exponential multi-disciplinary network of leaders, experts and entrepreneurs.

The program takes place during four days distributed over two modules.

Module 1:

Leading digital transformation
7th-8th of March 2019

Module 2:

Networked and digital leadership
11th-12th of April 2019

Selected applicants are expected to participate in both modules. The value of each scholarship is 59 000 SEK.

Read more about the Stellar Executive Program [here](#).

Faculty director of the program is Claudia Olsson.

Claudia is the Founder and CEO of Exponential AB as well as appointed Young Global Leader by the World Economic Forum.
